

**Novice Handbook
2026-2027**

OAE INFORMATION

This handbook was created to not only give information but to help answer any questions you may have at any point in the season. We want to provide team members and their families with all of the information and expectations involved with our program. Some information is subject to change throughout the year. If you find that you still have questions after reading through this packet please do not hesitate to ask any of our staff members.

OUR COMMITMENT TO YOU

Welcome to Ohio Adrenaline Elite (OAE). The staff at OAE will do their very best for you at all times! We are a fully credentialed WASF Competitive Cheerleading Gym. We are nationally certified in safety of tumbling, stunts and jumps in the sport of cheerleading. We also have staff members that are state certified in CPR and First Aid. We will require a medical liability waiver to be completed by the parent/family and team member to be kept on file every year. We at OAE have liability insurance but will not cover medical expenses or supplemental medical expenses that may occur. Every athlete must have their own insurance coverage to participate in our program and should assume that injuries and medical expenses may occur. But our goal at OAE is to create a safe and knowledgeable environment for all of our athletes. We will do our very best to keep your kids safe.

PLACING AND MOVING ATHLETES

When creating our teams, we will be basing our decisions off of age, maturity, skill level, experience, stunting ability and tumbling ability. All categories such as jumps, motions, facials, showmanship, dance, knowledge, etc. will be part of the evaluation process. Our staff will place the athletes on the team or teams they feel would be best for the entire team. We want to create the best combinations of teams from the start. The more time they can work together the better they will be. We do hold the right to move anyone to a team where we feel they will be the biggest attribute. If a child loses or obtains a skill(s) at an accelerated rate, then actions will be talked through and taken to get them on the appropriate team where they feel comfortable but will still be challenged. We ask that you trust the judgment of the coaches and understand that we have placed each athlete on the team that is best suitable for them and the team as a whole.

ATHLETE COMMITMENT

Every cheerleader must be prepared to fulfill a 11-month commitment. This will be made up of weekly practices, tumbling, competitions, summer appearances, fundraisers, at least one large national competition and a possible end of the year showcase/open house. **You must be able to participate in all events not only to help us but also to help yourself.**

We take all the time that our teams are together seriously and we expect you to do the same. Weekly practices are **mandatory**. Practices are the backbone of our competition season. We expect 100% commitment from everyone!

If we feel that a team member's skills are not progressing after their designated practice time, they may be asked to take extra classes or private lessons at an additional cost. He or she will be encouraged to do this until the required skill has progressed. Attending classes/clinics outside of OAE **must** have a coach's prior approval. Failure to obtain approval will result in immediate dismissal.

RESPONSIBILITIES

It is the parents/guardians' responsibility to provide supervision and care for their respective athletes at all competitions.

It is the parent/guardians' responsibility to provide food and accommodation for themselves and their respective athletes when necessary for competitions

OHIO ADRENALINE ELITE ATTENDANCE POLICY

All athletes are expected to attend and observe practice unless hospitalized or running a fever. This includes those with an injury or a note excusing them from practice from their physician.

Practices are the backbone of our competition season, and consistent attendance is essential for the success of every athlete and the team as a whole. All members are expected to be at every scheduled practice and must submit an Absence Request Form in advance for any unavoidable conflicts.

Every athlete is permitted up to **three (3) unexcused absences** before penalties are applied.

For **absences 4 through 6**, a **\$50 fee per unexcused absence** will be assessed to the athlete's account.

Reaching a **seventh (7th) unexcused absence** will result in the athlete being **removed from the program** immediately.

An absence is deemed *unexcused* if prior notice is not provided through the appropriate channels or if the reason provided does not meet the OAE criteria for an excused absence as determined by the coaching staff.

Excused absence includes: Hospitalization, **serious** illness or injury to athlete or family member resulting in hospitalization, death in the family, scheduled school field trips, programs, or ceremonies dealing in academics only. (Meaning this activity is for a GRADE) Absence Request Forms are available online and must be submitted at least 2 weeks prior to planned absence, if approved by coaches, this absence will be granted as an excused absence.

Unexcused absences include: School cheer or other recreational sports/activities, non-life-threatening illness (athlete required to observe and learn any changes if too ill to participate), transportation issues, concerts, vacations, or homework.

*Attending practices, the week of a competition is **MANDATORY**, including any extra practice times that may be added. ("Week of competition" is defined as; Sunday before the event, up to the competition date.) If an athlete misses a practice during a "competition week", the coaches reserve the right to remove said athlete from the routine for that competition.

Injury- If an athlete is injured and cannot participate, she/he is required to attend practices and competitions as long as she/he is an active member on a team roster. Prior approval from a coach will be necessary to skip practices or a competition.

TARDINESS AND PREPAREDNESS

All athletes should be at all practices 15 minutes before your scheduled floor time. This means hair done, cheer shoes on, no gum, no eating, and jewelry out and ready to go. Cell phones need to be stored away. You are expected to be 100% ready to be on the floor at the start of your practice. If an athlete is late, conditioning will be implemented.

ABSENCE REQUESTS

Absence Requests are located within the My Account section of the iClass Pro app. Requests must be submitted for any absence including school events, family vacations, etc. **Absences the week of a competition are automatically deemed unexcused unless for a graded school event.** Coaches reserve the right to validate graded events with the athlete's school, and the right to approve or deny any absence request.

PARTICIPATION IN OTHER EVENTS/ACTIVITIES

We encourage all of our members to be active in their schools and communities. While saying this we ask that All Star Cheerleading be your ***first*** priority. You must be willing to compromise and communicate with all parties involved about your schedules. **Commitment Approval Forms** will need to be signed by any outside coaches, mentors, advisors, etc. This form will have all practices, competitions, and mandatory dates for the 2026-2027 OAE season. Attending classes/clinics outside of OAE **must** have a coach's prior approval. Failure to obtain approval will result in immediate dismissal.

TEAM PRACTICE SCHEDULES

Summer practices are a vital part of the season. During summer practices stunt groups are formed and formations in the routines are created. Please let your coach know right away of any vacations that you have planned. Please understand that it is impossible for OAE to plan our practice schedule around each and every athlete's personal schedule. Days and times are set and will not be changed for any reason, so please plan accordingly if a scheduling conflict arises. Homework, family events, or minor illnesses ARE NOT ACCEPTABLE EXCUSES TO MISS PRACTICE.

We will rarely also have extra mandatory practices scheduled throughout the season prior to competitions. These practices will occur the **Friday *or* Saturday before a competition.** These practices are 100% mandatory. They will consist of a competition-style warm up, and 1 to 2 full outs. These practices will be scheduled for 1 to 1 ½ hours, but most times will be released early. We understand our athletes have personal lives, but a simple quick practice before a big competition can put minds at ease, and instill confidence going into a competition!

PRACTICE ATTIRE

Cheer shoes are required at every practice. Hair must be completely pulled back at all practices. NO jewelry should be worn at any time; this includes any item on the wrist or ankles.

PIERCINGS

Piercings are illegal at all of our competitions. If you feel it necessary to put a new hole in your body, please have it done as soon as possible so that it heals before our first competition. If you have any that cannot be removed yet you will have to properly cover them for ALL practices and events where you will be representing OAE. Piercings can be ripped out during tumbling and stunting.

CELL PHONES

NO CELL PHONES ARE ALLOWED OUT DURING TEAM PRACTICE!

You may keep your cell phone in your bag, either turned off or on silent. If you have to keep a phone on you for emergency reasons please let your coach know and we can make arrangements for you. Cell phones need to be left untouched during your team's entire practice!

GOVERNING BODY MEMBERSHIP

- Each athlete must have a valid membership in order to be eligible to compete.
- More information will be provided regarding which governing body we are going to use this season. We will be either using AAU or WASF and please keep in mind that you will be responsible for any membership fees.

TRAVEL

- **All teams will travel.**
- Some teams may travel more than others; this will be left to the coach's discretion.
- Each cheerleader must have a chaperone at every competition. It is not your coach, Team Representative or OAE staff's responsibility to be your child's chaperone.
- OAE works hard to keep competition prices as low as possible, and to limit out of state competitions to a minimum, keeping the *majority* of our competitions based in Ohio.

We want all parents & cheerleaders to be aware that when we travel to any competition, the primary purpose of our trip is to **compete**. While we hope each family will enjoy our trips, they are not intended to be a "family vacation". No family will be allowed to miss practice the week **before** a competition.

At competitions, our athletes, parents, friends, and family are always representing our program. Please do not take this lightly: Anyone caught misrepresenting our program will be reprimanded. I.e. Stealing, bad mouthing other teams or any other unsportsmanlike conduct, altercations, foul language, etc.

WEATHER CANCELLATIONS

If the weather becomes unsafe to attend practice the coaches will make a decision to cancel practice and close the gym for practices. All weather-related cancellations will be posted on the Ohio Adrenaline Elite public Facebook, Instagram, iClassPro app notification, and a BAND notification will be sent out.

If Lexington schools are closed due to weather, Ohio Adrenaline Elite will generally close for recreational classes. If we feel that the roads and weather are okay, we may still hold All-Star practice. A mass text update will be sent out to all teams after we have discussed road conditions.

Competitions during the Winter months are almost **never** canceled. If inclement weather is forecasted, we will allow extra time for our families to safely drive to and from the competition venue, by either canceling a practice before the competition or after.

PROGRAM COMMUNICATION

PERSONAL FUNDRAISERS

OAE has many fundraising opportunities throughout the season. We encourage each and every one of you to take advantage of this any chance that you get! We understand that competitive cheerleading is a large financial commitment and want to make it as easy as possible for all of our athletes.

You will have the opportunity to fundraise to help cover expenses. There will be a number of fundraisers held throughout the year. Every member is 100% responsible for their participation in these fundraisers. These fundraisers benefit you, not us! We want to make it easier on all of you to be a member of the team. The money you raise will be credited directly to your account and will cover any expenses that are open beginning with tuition.

PROGRAM FUNDRAISERS

OAE does not take any percentage of individual fundraisers, we are able to allow fundraiser participants to keep their total profit because of our yearly program fundraisers and our fundraising at Mid-Ohio Sports Car Course.

Program fundraisers will happen periodically throughout the season!

During race season in the Summer months, we volunteer to work as a fundraiser that benefits the gym! This is used to keep costs down for our athletes and parents, as well as upgrading and maintaining equipment as needed!

Due to the fact that every member benefits from these fundraisers, **participation is mandatory in program fundraisers**. Members may buy out of a program fundraiser for \$100* if they choose. *Mid Ohio buyout is \$500. **Members should attempt to volunteer for two shifts every race. ALL FAMILIES WILL BE REQUIRED TO WORK THE INDY RACE AT MID OHIO JULY 3-5; A SHIFT WILL BE ASSIGNED TO EACH FAMILY; Failure to work your assigned shift will result in a \$150 fee applied to your account.**

More information on personal and program fundraisers will be released at a later date
